

Approved Caterers

THE CHAMBER

seattle metropolitan chamber of commerce

The Chamber has partnered with a list of select caterers to choose from when serving food at your event. These caterers are familiar with the Microsoft Events Center, ensuring a more seamless experience for your event. If there is a caterer not on the list that you'd like to use, you are welcome to do so for a fee (\$100 members/\$150 nonmembers).

Starbucks Coffee Company sponsors the coffee and tea provided for your use. Please be sure to strike any such items from your catering agreement as they cannot be served in the Events Center.

Please email the caterer(s) for a current menu. Menus are subject to change without advance notice. When scheduling your catering, be sure to mention that your event is being held at the Seattle Metro Chamber of Commerce.

Alki Bakery
